

2023-24 Company Auditions

STEPS Dance Company is for students who enjoy working on choreography, sharing their love of performing with a broader audience, and enjoy being around others that feel the same way. Participation is by audition only. Company members will be enrolled in a weekly company class with performance opportunities throughout the year including a fall show, holiday show and dance competition. A separate company fee is required in addition to the class tuition time. Performing Company requires a total commitment to STEPS. Company members may not be enrolled simultaneously at another studio. Audition considerations must include the ability of consistent class attendance and participation in every performance.

Auditions for our 2023-2024 season will be May 30 – June 1. Contact us ASAP if you have a conflict and need to schedule an audition make up. Please read the following schedule closely to ensure you attend the correct day and time. Levels listed below are based on the completion of STEPS classes in the 2022-2023 season. All are welcome!

In addition to the Dance Audition on June 1, those auditioning for Musical Theatre Company also need to sign up for a singing audition on May 30. Please sing a short song no more than 2 minutes, preferably from a musical. Please be sure to bring a track to sing along to with a device to play it on. To sign up for an audition slot, click this link: <https://signup.com/go/uwKwSnK>.

Before auditions, carefully consider your commitment level. Current student’s class attendance from the 2022-23 season may be considered in the evaluation process. There will be a form to communicate any schedule conflicts and company desires. Once company assignments are finalized, and you are placed in a company but chose to drop out, you will not be considered for that company genre in future seasons.

Please be aware that all company members will be required to enroll in a secondary technique class, in conjunction with their company class. If you would like to audition for a new company and are not sure which session to attend, please email contact@stepspac.com for guidance.

Help us spread the word! Looking forward to an exciting year, Phil, Dina, Julie & Michael
